This questionnaire may take some time to fill out but it is important to your health care. If this form is difficult for you to complete, you should ask a family member or friend for help and you should bring them to your appointment. Please return by email, fax, mail, or hand delivery at least one week prior to your appointment. You may receive a phone call to clarify answers. You are sharing personal information which the clinic keeps strictly confidential. *The security of any method by which information is delivered to the clinic is the responsibility of the patient.*
